This Guy should be a Motivational Speaker!

NORTHVILLE, MI. – February 13, 2007 – If you’re ever feeling down, depressed and need someone to lift you higher than you’ve ever been, you have got to meet Northville resident Brian

Brandt. This enthusiastic, 27-year old powerhouse of a guy is young and bright and has hung out with the likes of Wynona Judd and Toby Keith and has the pictures to prove it!

“Brian has always been full of energy!” says his mom Linda. “He is always on the go, living life to the fullest. Our whole family is very proud of him.”

Brian has many things to be proud of; he has a very supportive family, has a really good job working at The Inn at St. John’s in Plymouth and is quite the athlete. This guy started training when he was just nine years old!

“Brian is in great shape. He has been involved with Special Olympics for many, many years,” said Linda. “He began training with ‘Mr. Jim’, an ex-Marine, who really helped him with his training and level of competition. He has participated in many sports including basketball, track and field and soccer. He recently won a silver medal in polyhockey as well.

One of the things Brian is most proud of is when he and his whole family traveled down south and helped out with the Hurricane Katrina rescue efforts.

“My brother is the General Manager of a radio station in Mississippi and they were promoting a Red Cross Relief Radiothon. So we went down there and helped a lot of people. I love helping people,” said Brian.

So when he’s not shaking hands with music stars, working or helping people in different communities, Brian likes to go to the movies and spend time with his favorite girl, Carey. Brian says he eventually wants to move out of the house and get a place of his own.

Brian utilizes the services and supports of Community Living Services. CLS is a non-profit organization that promotes inclusion, full citizenship and a self-determined life for people with developmental disabilities. CLS provides supports and services to 2500 people in Wayne County and is funded through the Detroit-Wayne County Community Mental Health Agency.
