Table 1

Once on the Blue Cross Blue Shield web site, you have the option of selecting a provider based on several optional criteria as shown below in figure 1.

Figure 1 – Optional Search Criteria

You can refine your results by:

1. Selecting a health plan as shown in figure 2:

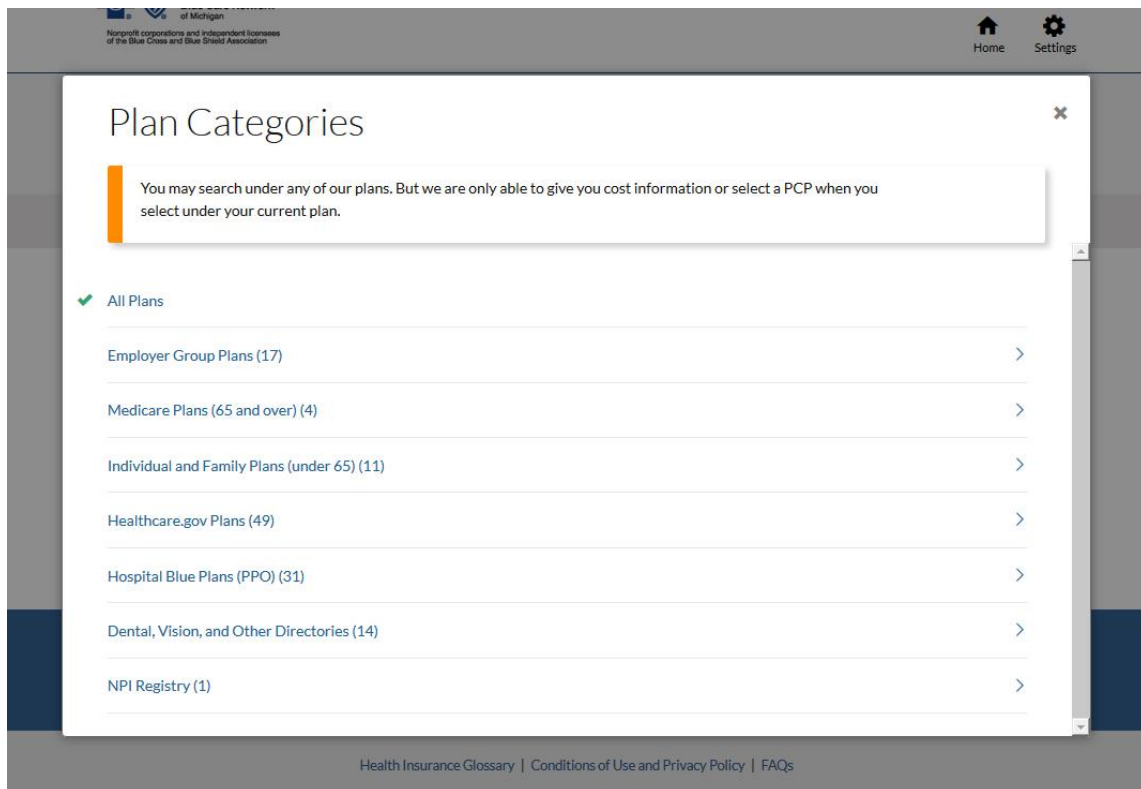

Figure 2 - Choose Health Plan

2. Entering a physician, condition, or service needed in the text box labeled "Search for a doctor or hospital name." Suggestions will show based on text entered as shown in figure 3.

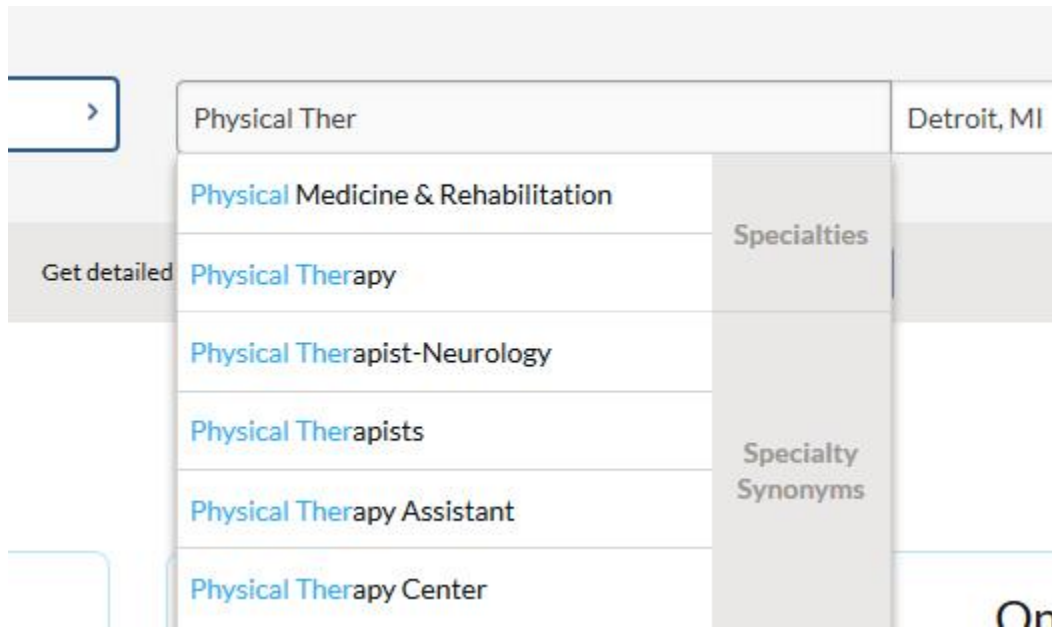

Figure 3 - Enter Service Needed

3. Entering a location. As you type suggestion will appear to help you make a selection as shown in figure 4.

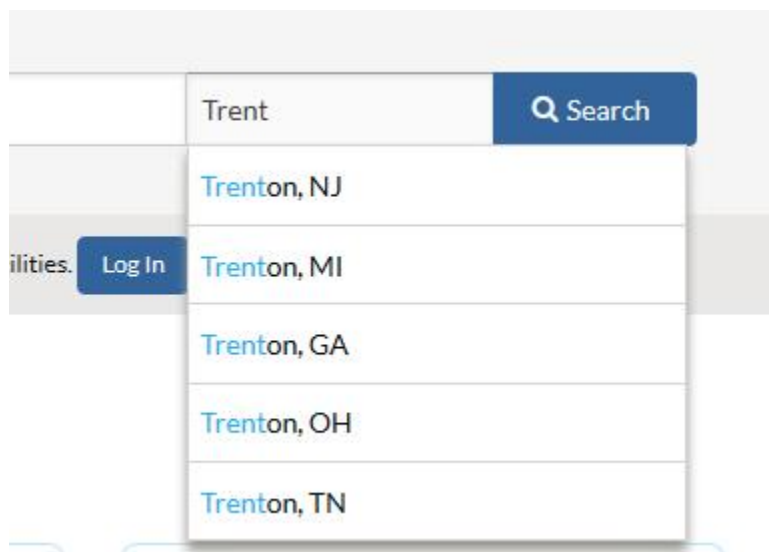

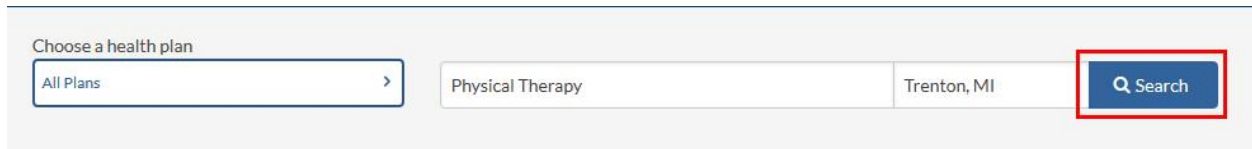

Figure 4 – Enter Location

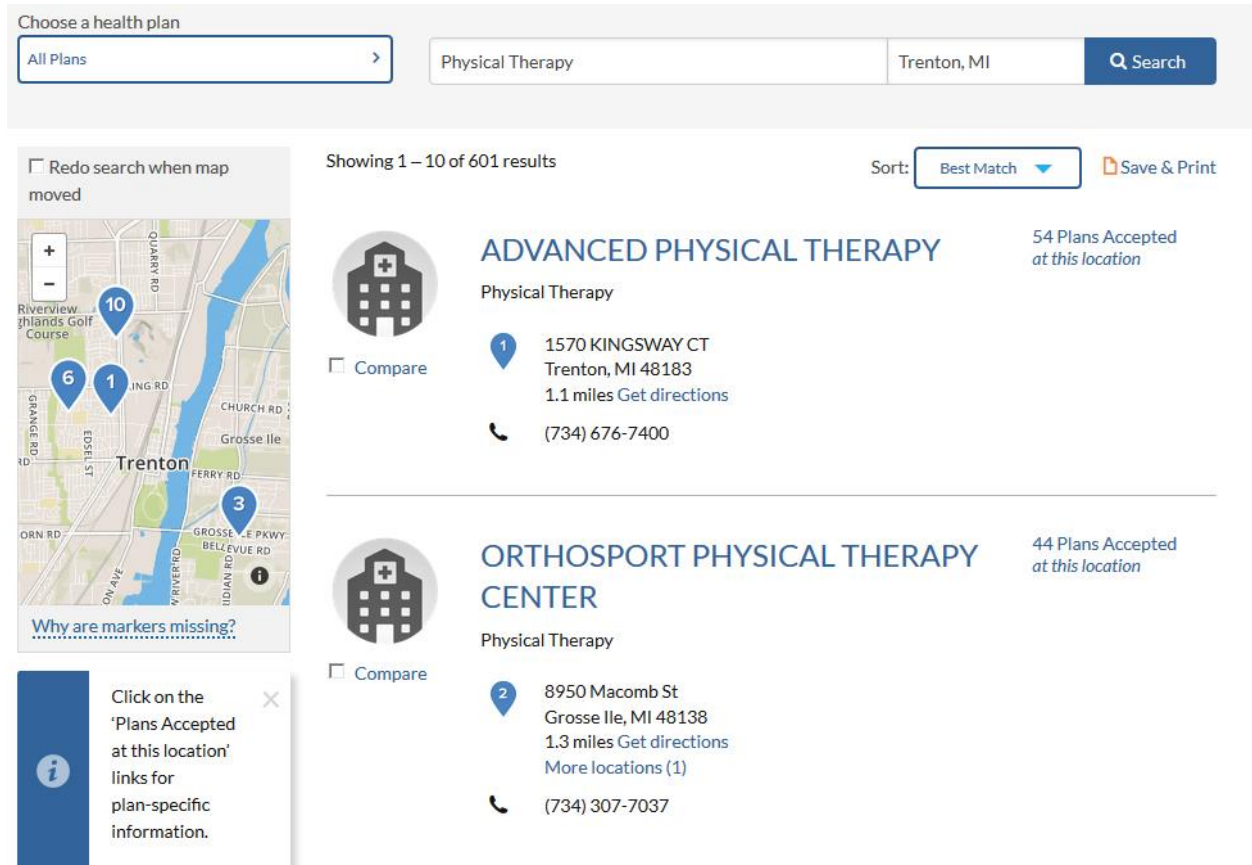

Once all of the criteria needed have been entered, select search as shown in Figure 5.

The search criteria form consists of four input fields. The first field is a dropdown menu labeled 'Choose a health plan' with 'All Plans' selected. The second field contains the text 'Physical Therapy'. The third field contains 'Trenton, MI'. The fourth field is a blue button with a magnifying glass icon and the text 'Search', which is highlighted with a red border.

Figure 5 – Search

The search results will appear below the search criteria as show in figure 6.

The search results page displays the search criteria from Figure 5 at the top. Below the criteria, it shows 'Showing 1 – 10 of 601 results' and a 'Sort: Best Match' dropdown menu. A 'Save & Print' icon is also present. On the left, there is a map of Trenton, MI, with several location markers numbered 1 through 10. Below the map is a link that says 'Why are markers missing?'. A blue information box on the left side of the results area contains the text: 'Click on the 'Plans Accepted at this location' links for plan-specific information.' The main results area lists two providers:
