Once on the Fidelis home page, select “Find a Doctor or Pharmacy” from the top, main menu as shown in figure 1.

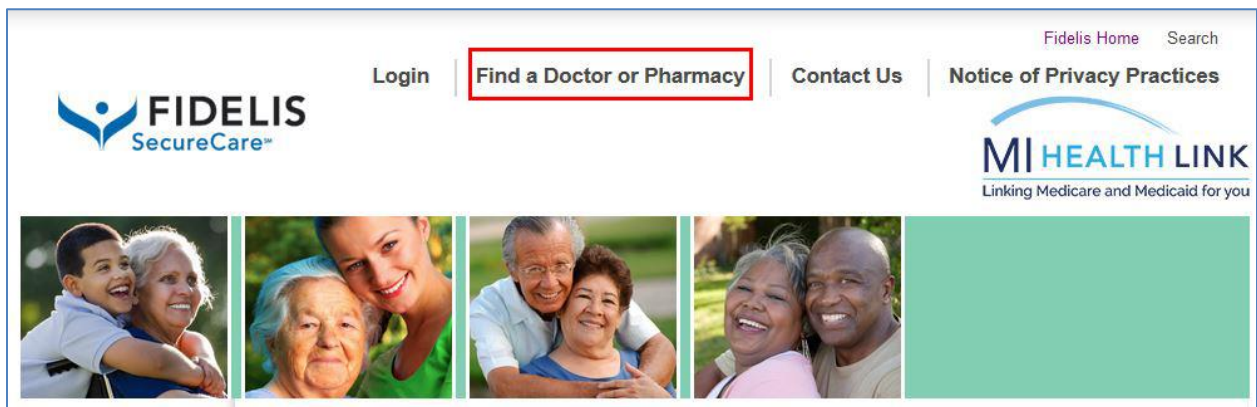

Figure 1 - Search Link

Once the provider search page opens you will be asked for your current location as shown in figure 2.

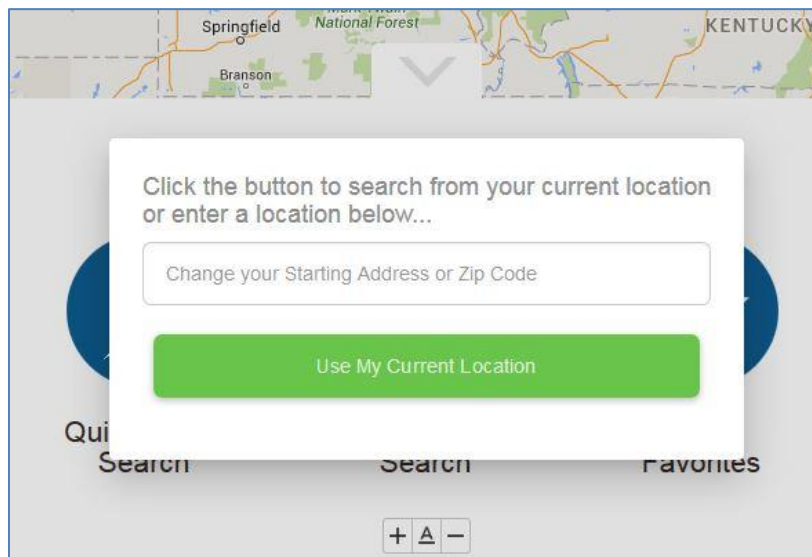

Figure 2 - Current Location

Once the search start location has been entered you will be able to select your search as shown in figure 3. They are:

1. Quick Name Search
2. Detailed Search
3. My Favorites

To do a general search, select Detailed Search.

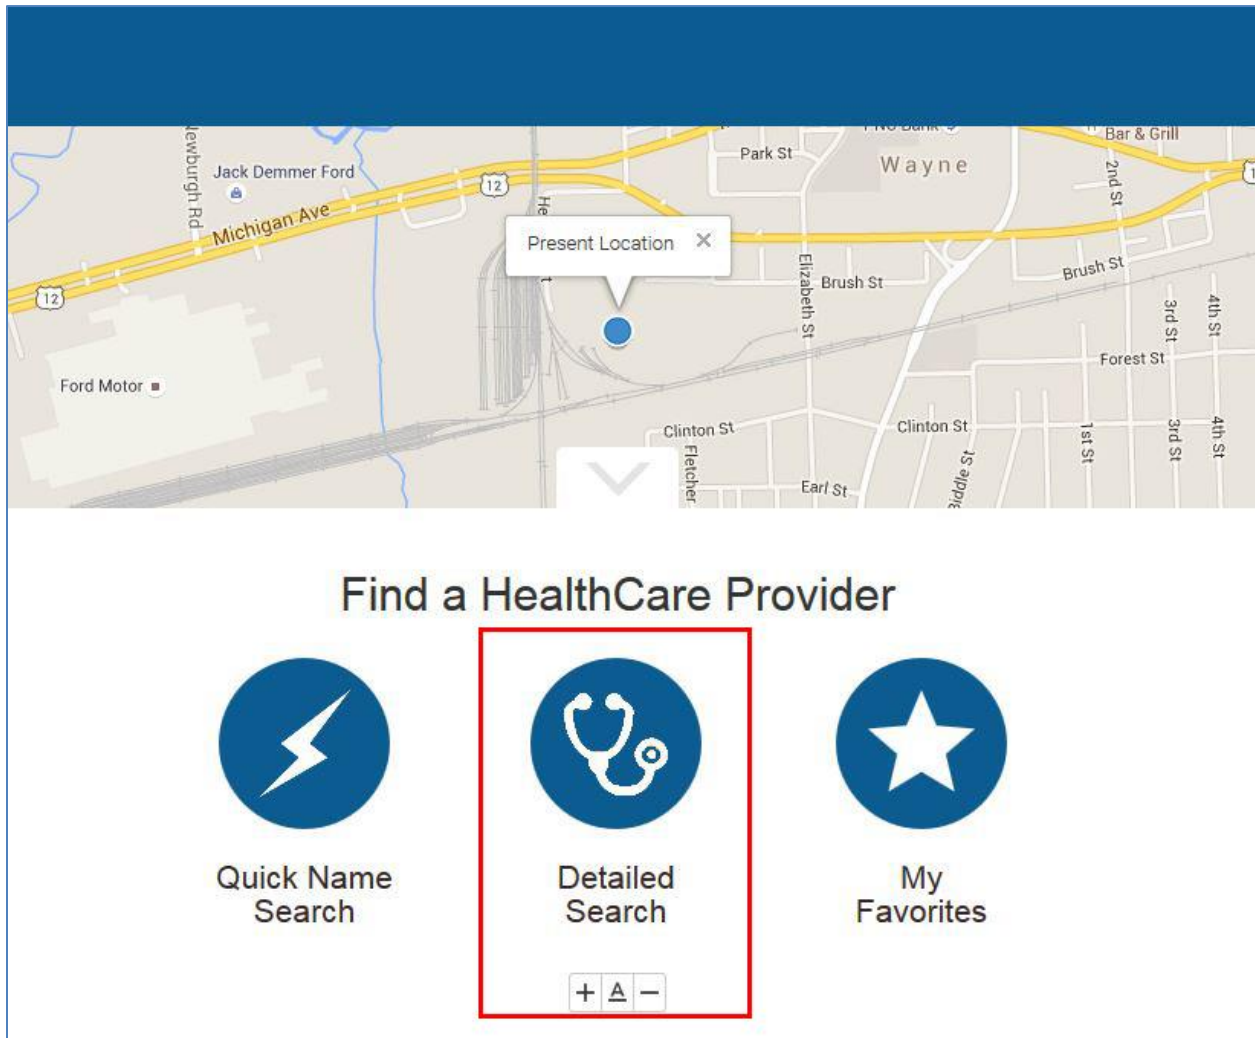

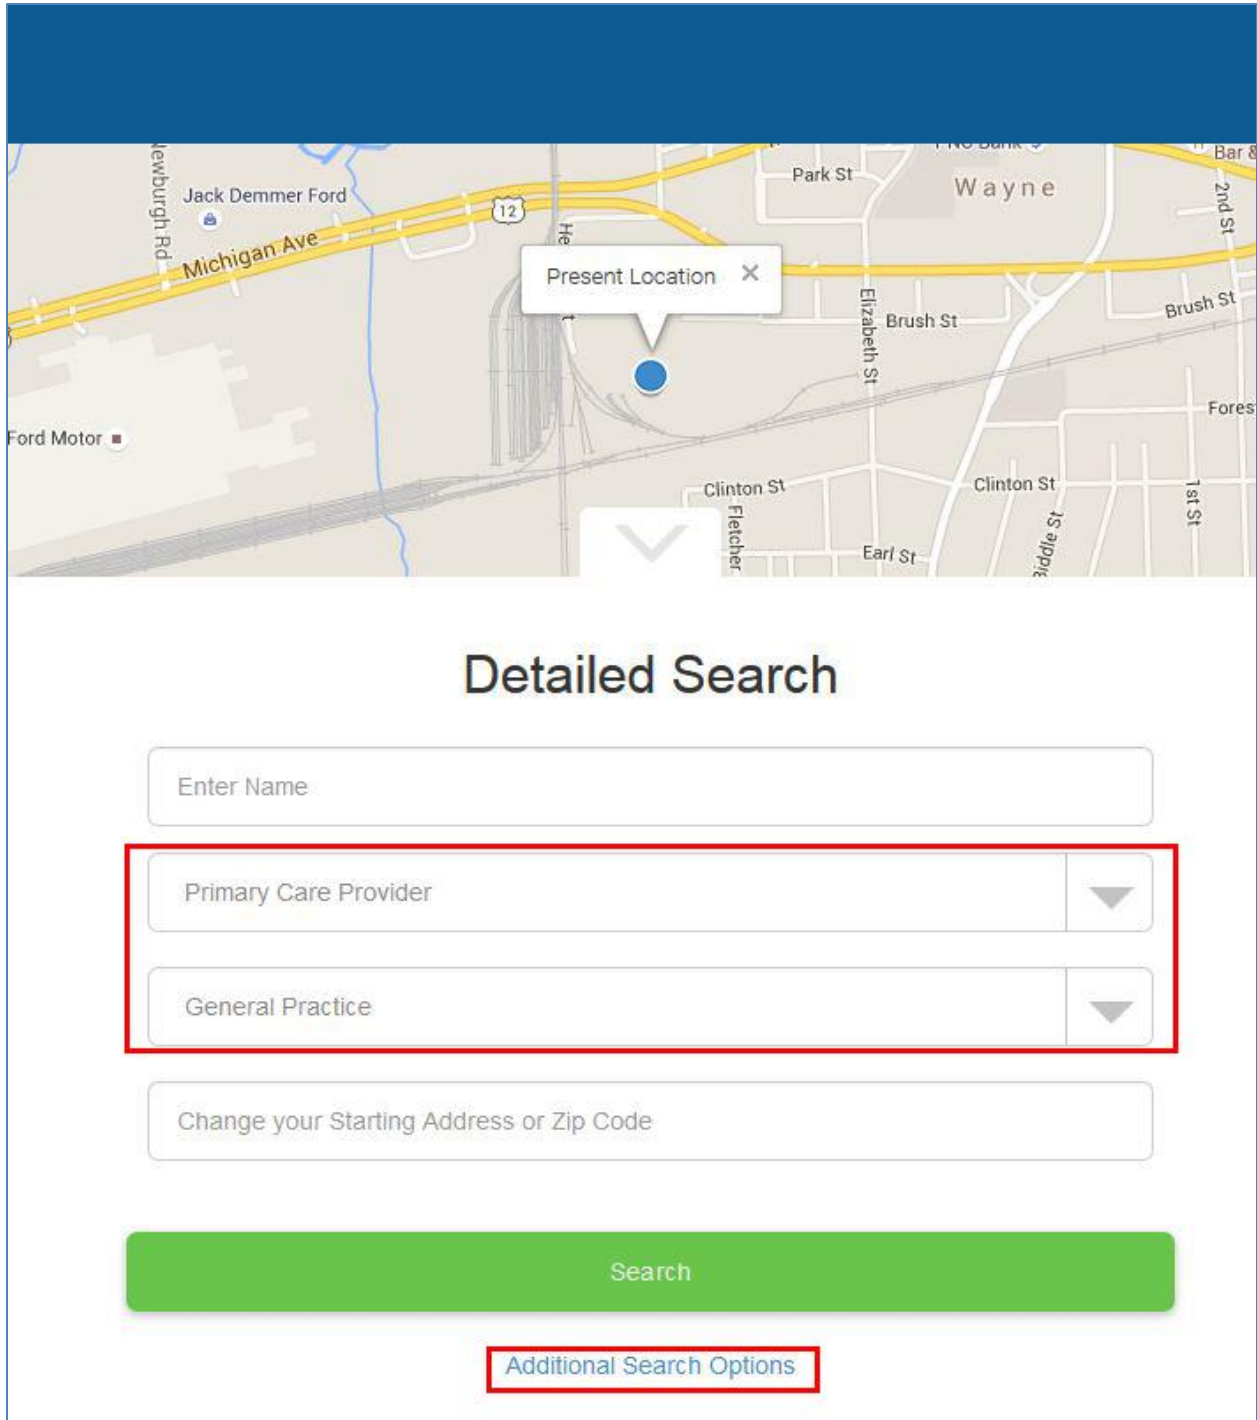

Figure 3 - Detailed Search

The detailed search form contains the fields for:

- Provider Name
- Type of Provider
- Option to change the starting search location

The form will change depending on your selection. In figure 4, primary care was selected from the drop down. This produced an additional field for specialty.

There is an option to use Additional Search Options. This will produce additional search fields as shown in Figure 5.

The image shows a web interface for a search tool. At the top, there is a map of a location in Wayne, Michigan, with a blue pin labeled 'Present Location'. Below the map is a section titled 'Detailed Search'. This section contains several input fields: a text box for 'Enter Name', a dropdown menu for 'Primary Care Provider' (highlighted with a red box), a dropdown menu for 'General Practice' (also highlighted with a red box), and a text box for 'Change your Starting Address or Zip Code'. Below these fields is a large green 'Search' button. At the bottom of the search section, there is a link labeled 'Additional Search Options' (highlighted with a red box).
